

Students don't usually mistake **hour** and **our**, but they do often mistake **are** and **our**.

- **Our**: belonging to us

- After we waited for the bus without wearing mittens, **our** hands were cold.

- **Are**: form of to be

- We **are** really cold without *our* mittens.

Are

They **are my brothers.**

Our

He is **our son.**

Hour

He is one **hour late.**
