D G A Em [Verse 1]

D G
If you love somebody, better tell them while they're
here cause

A Em
They just may run away from you

D G
You'll never know what went well, then again it just
depends on

A Em
How long of time is left for you

D G
I've had the highest mountains, I've had the
deepest rivers

A Em
You can have it all but life keeps moving

Bm A
Now take it in but don't look down

(First Chorus)

G
Cause I'm on top of the world, ay

D
I'm on top of the world, ay

A
Waiting on this for a while now

Em
Paying my dues to the dirt

G
I've been waiting to smile, ay

D
Been holding it in for a while, ay

A
Take you with me if I can

Em
Been dreaming of this since a child

D G D
I'm on top of the world.

[Verse 2]

D G
I've tried to cut these corners, tried to take the easy
way out

A Em
I kept on falling short of something

D G
I could've gave up then but, then again I couldn't
have cause

A Em
I've traveled all this way for something

Bm A
Now take it in but don't look down

[Chorus 2]

G
Cause I'm on top of the world, ay

D
I'm on top of the world, ay

A
Waiting on this for a while now

Em
Paying my dues to the dirt

G
I've been waiting to smile, ay

D
Been holding it in for a while, ay

A
Take you with me if I can

Em
Been dreaming of this since a child

D G D A-
I'm on top of the world.

G

[Bridge]

G
And I know it's hard when you're falling down

D
And it's a long way up when you hit the ground

A Em
So get up now, get up, get up now.

G
And I know it's hard when you're falling down

D
And it's a long way up when you hit the ground

A Em A-
So get up now, get up, get up now.
