Screen Printing P
(K7516)

Recommended prerequisite: None
Meets SDUHSD Graduation requirement: Practical Art or Elective
Meets A-G requirement: G- Elective

Prepares students for entry-level positions in project planning, copy preparation (Adobe Illustrator and Photoshop), screen preparation, stencil making, printing, and sales. Due to recent advances in screen printing technology, screen printing is becoming very commercialized. These breakthroughs have allowed screen printing to compete on a large scale with other processes. Productive, challenging careers are growing in the screen printing field at a growing rate.

CTE Pathway: Graphic Production Technologies
Course Sequence to complete pathway:

	Concentration	Capstone
These courses must be taken in this order to earn completion in the pathway:	**Screen Printing P**	**Screen Printing 2 P**
