

"You're trying to tell me something aren't you?"

"You look like you're enjoying that!"

"Are you wanting me to pass to you?"

"Yes. You've got very sticky hands haven't you!"

"That hurt you a little didn't it?"

"You're fitting them all together! You like that!"

"I think you're pleased with that!"

"That looks frustrating. Would you like me to help you?"

"You just want to know I'm still here don't you. I'm watching you."

"That was funny wasn't it?"

"You had another go – and you made it...WOW!"

"That looks heavy / hard / bumpy etc."

"I think you need a bit of help with that!"

"Sharing can be hard. We can worry there won't be enough for us"

"You're really trying so hard to"

"I'm just wondering what you're trying to tell me"

"WOW You're really angry about that!"

"I think you're a bit cross with me for not letting you but it's not safe"

"You wish you had got it, but got it first. Maybe....."

"You really want another one don't you. But there's no more left"

"It can be hard to wait can't it?"

"You want to say something to me don't you? I'll be with you in a minute"

"You're feeling a bit bad about that aren't you. Maybe you could" "

"Sometimes we wish we hadn't done something - but it's too late".

I wonder how we could make it better"
