ISTE Learning Lab

GENERATIVE AI: WHAT MATTERS MOST TO EDUCATION LEADERS?

Sunday, June 23, 2024 | 1:30 pm - 3:30pm MT

Bluebird Ballroom 3C - Colorado Convention Center

Inspire **Design** **Empower** **Amplify**

Outcomes

- Join CDW and ALP for an engaging and interactive session on insights gleaned from the Spring 2024 Speak Up Gen AI Survey.

- Participants will interact with case study artifacts from school district partnerships across the United States and Canada.

Artifacts & Resources

- Mentimeter Code: 4213036

- Our Slide Deck for Today's Session

- ALP / Project Tomorrow Speak Up! Survey

TIME	ACTIVITY	RESOURCE
1:30 pm - 1:55 pm	**Introductions & Level Set: What Are We Learning about Gen AI?** Who is in the room? What do we know to be the key drivers that successfully catalyze and sustain an engaging, responsive community of practice?	**Icebreaker / Schema Activator** • Share Your Voice with Mentimeter (4213036)
1:55 pm - 2:10 pm	**Finding I: Address Baseline Literacy & Usage** Learn more about educator perception of current-state readiness around basic understanding, access and usage of Gen AI tools.	**'Year of Learning' Resources** • AI & Academic Integrity (Loudoun County)
2:10 pm - 2:25 pm	**Finding II: First-Hand Experience Matters** Leaders with familiarity and skill more successfully guide and enhance local efforts to purposefully integrate Gen AI with existing frameworks+metrics.	**'Year of Learning' Resource** • Learner Readiness (Henrico County)

Revised June 22, 2024

2:25 pm - 2:40 pm	**Finding III: Ongoing PL With Temper Usage Gaps** Participants share insights and queries through peer-to-peer dialog. Amos synthesizes these shares and commits to curating them in a brief synopsis as follow-up from this learning lab session.	**'Year of Learning' Resource** ● [Guiding Principles](#) (Cumberland County)
2:40 pm - 3:00 pm	**Finding IV: Ts & Ss Won't Stop Using Gen AI** Gen AI tools are too pervasive, powerful and practical within the context of everyday learning and teaching activities. How—and not if—they are implemented is where all efforts are best applied.	**'Year of Learning' Resource** ● [Procurement Considerations](#) (F3 Law)
3:00 pm - 3:15 pm	**Finding V: Guidelines & Policy Will Rapidly Evolve** Many districts and schools are adopting a local approach to framing principles, guidelines, frameworks and policies for Gen AI. And many are waiting for support from above. The best approach is a bit of both.	**'Year of Learning' Resource** ● [Board Policy Statement](#) (Oklahoma City)
3:15 pm - 3:30 pm	**Reflections & What's Next?** What did you learn from this session? What challenged you? What additional information, resources and support do you seek as ISTELive 24 begins?	**ALP & CDW Resources** ● Gen AI [Executive Consulting](#) Support ●
