

Privacy Policy for Orange Music

Release - 1.0

Effective Date: 7 June 2026

Orange Music ("the App") is developed and published by Orange Labs, India. This Privacy Policy explains how the App collects, uses, and protects information when you use the App.

1. Information We Access

Orange Music is a local music player application designed to play audio files stored on your device. To provide its functionality, the App may access:

- Audio files stored on your device
- Song metadata such as title, artist, album, duration, and file path
- Album artwork embedded within audio files
- App settings and playback preferences
- Playlist, favorites and recently played information created within the App

This information is used solely to provide music playback and library management features.

2. Personal Data

Orange Music does not require account creation or login. We do not intentionally collect, store, sell, rent, or share personally identifiable information such as:

- Name
- Email address
- Phone number
- Passwords
- Government identification numbers

The App operates locally on your device and does not require personal account information.

3. Device Permissions

Depending on your Android version, the App may request permissions including:

- READ_MEDIA_AUDIO
- READ_EXTERNAL_STORAGE
- POST_NOTIFICATIONS

These permissions are used exclusively to:

- Discover and display music files stored on your device
- Provide playback controls and media notifications
- Enable background music playback

The App does not modify, upload, or share your audio files.

4. Data Storage

Orange Music stores certain information locally on your device, including:

- User settings
- Favorite songs
- Playlists
- Recently played tracks
- Playback preferences

This information remains on your device and is not transmitted to Orange Labs servers.

5. Advertising

Orange Music may display advertisements through third-party advertising providers such as Google AdMob. Ad providers may collect limited information as described in their own privacy policies to deliver and measure advertisements.

For more information, please review Google's Privacy Policy:

<https://policies.google.com/privacy>

and

<https://support.google.com/admob>

Orange Labs does not receive personally identifiable information from advertising providers.

6. Internet Access

The App may use internet access for:

- Loading advertisements
- Retrieving advertising content
- Supporting future online features

The App does not upload your music library or audio files to anywhere else.

7. Third-Party Services

The App may utilize third-party services including:

- Google AdMob
- Google Play Services

These services may collect information according to their own privacy policies. We encourage users to review the privacy policies of these providers.

8. Children's Privacy

Orange Music is a general-purpose music player and is not specifically directed toward children under the age of 13. We do not knowingly collect personal information from children.

9. Security

We strive to minimize data collection and follow reasonable practices to protect user information. However, no software application or device environment can be guaranteed to be completely secure.

10. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be reflected by updating the Effective Date at the top of this document. Continued use of the App after changes are published constitutes acceptance of the updated Privacy Policy.
