

Information About Individual Student Reports

The district has received the Individual Student Reports for state assessments from the 23-24 school year.

The Missouri Assessment Program (MAP) Grade-Level Assessments and End-of-Course (EOC) exams evaluate students' progress toward the Missouri Learning Standards.

Each test produces an Individual Student Report (ISR) that includes an Achievement Level, which will describe the student's performance as Below Basic, Basic, Proficient, or Advanced. The report also includes a short description of the knowledge and skills that are typically demonstrated by students in each Achievement Level.

Individual Student Reports will be sent home to parents the week of Parent-Teacher Conferences.
