Analyzing Strengths

Analyzing Strengths	Discussion Points
Our school earned an academic growth score of 100.0 for ELA/Literature for the 2022-23 school year.	An emphasis has been placed on instilling a growth mindset in both staff and students by administration in addition to providing opportunities for collaboration through consistent PLCs and intentional coaching focused on improving ELA instruction.

Priority Challenges

Analyzing Priority Challenges	Priority Statements
	If we schedule time for structured collaborative planning and coaching to build the capacity of teachers to utilize the district's curriculum framework and resources to develop students' conceptual understanding of reading concepts, so that instruction is coordinated, aligned, and evidence-based, then we will build the capacity of teachers to implement scaffolded Tier 1 interventions/strategies and our students will meet or exceed their achievement and growth goals.
	If we schedule time for structured collaborative planning and coaching to build the capacity of teachers to utilize the district's curriculum framework and resources to develop students' conceptual understanding of math concepts, so that instruction is coordinated, aligned, and evidence-based, then we will build the capacity of teachers to

	implement scaffolded Tier 1 interventions/strategies and our students will meet or exceed their achievement and growth goals.
	If we implement an evidence-based system of school-wide positive behavioral interventions and support with fidelity and increase SEL content covered in Community Meeting, then we will increase student's positive self-development ratings content, decrease the school problem behaviors and increase attendance and student engagement.

Instructional materials and assessments are aligned to the district's curriculum. Lesson plans clearly reference grade-level standards aligned to district's curriculum and reflect high expectations for all students. IEPs and ELD plans reflect alignment to grade-level standards and district curriculum. Lessons aligned to the district's curriculum are delivered with fidelity to all students. All instructional staff have access to the district's curricular materials and the training necessary to use curricular and data resources relating to the learning goals for the school	Weekly, the ILT will review lesson plans. Three times per year, students will be assessed using the Star assessments. Quarterly, the principal will develop an informal observation schedule. Annually, the principal will develop a formal observation schedule.
