

Natsu Inage is the owner of the candy store "Inage Shop."

She is a master ice cream maker and remains the foremost practitioner of boujutsu among the Anti-Demon Ninja, and she is also a master of the Soul Escape Technique.

She intervenes in the souls residing in All Creation, absorbs their power, and makes it her own.

Additionally, by releasing the accumulated power, she can regain her youthful appearance.

Usually, she takes on the form from her prime, when her physical abilities and ninja techniques were at their peak,

but sometimes, depending on the situation or just for her amusement, she would revert to an even younger form.

Somewhere in Tokyo.

In a certain dark City Hotel.

The forces of darkness are celebrating Christmas too.

It is one of the party venues.

A Christmas present was delivered from a familiar brothel to a gathering of strong gangsters.

A Christmas card accompanied the neatly wrapped box, stating that they had trained a high-spirited Anti-Demon Ninja for their enjoyment.

Gangster:

"An Anti-Demon Ninja, huh?"

"They've interfered with us many times."

"This is the ultimate surprise."

Every gangster's desires flared up as they opened the present box.

Natsu:
"Ta-da! Merry Christmas!... Just kidding."

Natsu Inage appeared.

She looked even younger than her usual rejuvenated self, indeed so small she seemed too young.

Wearing a Santa-themed Anti-Demon Ninja suit, she struck the perfect erotic crouch. On her face was an endlessly arrogant expression.

Natsu:

"Heh heh heh. The lewd old hag of the Anti-Demon Ninjas has arrived as a slave prostitute... quite the setup, isn't it?"

Natsu: "With this flat-chested perverse body, I'll satisfy any massive cock. Look, look, look!"

As the confetti fluttered at the moment of unboxing, she thrust her splayed-open crotch toward the men.

Gang Member: "What the hell is this?!" "Something incredible has come out!" "Well, it certainly is a surprise."

A well-trained and lively Anti-Demon Ninja. Unlike any woman one might imagine from that description.

Even the gang members looked as if their spirit had been drained.

Natsu: "What's wrong? Today is Christmas, the day of the year when sex is at its peak. This young pussy just can't stop itching."

Natsu: "I bet you've been starving for women, right? Who's going to be the first to shove it into me? Come on, come on, it's first come, first served."

Gang Member: "Even if you say first come, first served..." "This isn't what I had in mind..." "Absolutely."

It seemed that Natsu's overly bold declarations and shamelessly lewd posture had left the men somewhat taken aback.

Natsu: "What a bunch of pathetic guys. Are you all impotent or something?"

Natsu: "Well, it can't be helped. Should I give you a bit of encouragement?"

Natsu secretly used the Soul Escape Technique to flow some excitement into the men.

Natsu was a master of the art.

If she wanted to, she could easily rob them of their will and have them violate her as they pleased, or even make them all ejaculate to death without laying a finger on them.

Natsu: "Heh heh heh. You say one thing with your mouth, but your dicks are honest, aren't they?"

With a cracking sound, the men's erections heated up strongly.

Gang Member: "Now that I take a good look, she's quite the woman." "No ordinary Anti-Demon Ninja, that's for sure." "I'm gonna make her scream."

Natsu: "Ah, go ahead. Use your vicious cocks to ruin my pussy."

Gang Member: "This little old lady is really ready, huh."

Natsu: "That's right. I've been ready for a long time now."

As Natsu moved her hips again to entice them, one of the men lifted the apron of her Santa costume.

Natsu: "Nuhii!"

A lustful voice escaped from Natsu's mouth.

Gang Member: "Amazing," "What a slutty pussy," "As expected of an Anti-Demon Ninja."

Natsu: "Hehehe. Isn't that right? Isn't that right?"

Of course, she wasn't wearing any underwear.

Her exposed private area was perfectly smooth, maintaining the beautiful coloring of a young maiden.

Those beautiful lips twisted obscenely, seeking a man, constantly dripping with love juices.

Gang Member: "Looks like she's been fully trained, huh."

Natsu: "It's not just my pussy, my mouth and ass are trained too."

Natsu: "Hands, feet, face, it's all the same. There isn't a single place on my body that hasn't been touched by a cock and cum."

Gang Member: "You've been violated so much, and it's still not enough!?"

Natsu: "Oh, it's not enough. Not enough at all. Rock-hard cocks, scalding hot semen, the kind of abuse that feels like it could kill me – it's never enough."

Natsu: "And today, I hear I'm being sent to the most renowned men in this town. How could I not be excited?"

Natsu: "While being packed in a box and transported here, I could hardly stop myself from playing with myself. Nuhii, nuhihihi."

A crude chuckle that was unfitting for an old woman leaked from Natsu's small mouth.

Natsu: "It would've been a waste to let myself climax with just a solo session, so I desperately held back. Thanks to that, my insides are overflowing. Take a look."

Natsu suppressed her masturbation, and the love juices that had accumulated inside her erupted with a powerful spray.

The air was thick with the scent of a woman who seemed far from a naive girl with barely any chest, and more like one who had kept company with a thousand men.

Gang member: "Well, that's been quite naughty of you. As a reward for holding out this long, I'll give it to you in your favorite hole."

Natsu: "Heh, fool. Why bother asking about my preferences?"

Natsu: "The one standing before you now is a fully-trained slave prostitute Anti-Demon Ninja."

Natsu: "In other words, I'm a public toilet hole, less than human. Feel free to shove it in anywhere you like. Treat me like an object. That's what I desire."

Gang member 1: "Is that so!"

Natsu: "Nuh-hooo!!!"

The first man opted for the anal.

The moment she felt the heat of a cock against her anus, Natsu tightened her sphincter to fully savor the sensation of penetration.

Natsu: "F-nuhoh, uhohohooo!!!"

Riiiiip, riiiiip, rip riiip!!

The tightening sphincter roared as the searing mass of flesh forced its way into her rectum.

Natsu: "Mmfoo!! Mm, kufuuuuu!!!"

Natsu: "This sense of my... of my anal being... violated... nufuu... No matter how many times I experience it, it never gets old. My body is small, which makes it all the more intense..."

Gang member 1: "Dang!! What a grip you've got!"

The man's voice trembled at the intense pressure of Natsu's rectum, a strength unrivaled by any slave prostitute in Yomihara.

Natsu: "Nufuu, nufufufu." "Such tightness is just the beginning. Haven't you ever known a woman whose rear wasn't so loose?"

Gang Member 1: "W-What did you say!?"

Natsu: "I am an Anti-Demon Ninja. It's not just once or twice that I've managed to bite off an Orc's gigantic thing with the sheer pressure of my backside."

Natsu: "Of course, before that, I made sure to grant them the ultimate pleasure, squeezing out every last drop until their life was all semen, heehee."

Natsu: "If you want the same treatment, just say so. Wouldn't you like to experience a climax worth dying for? Come on, come on."

Squeezing, squeezing, squeezing.

While teasing the man, Natsu toyed with him as if dealing with a naive boy, and rhythmically tightened her rear end.

Gang Member 1: "Ugh!! D-Don't get cocky! You horny little old hag!!"

Driven by anger, the man used all his strength to impale Natsu's backside.

Spluuuuuuurrrge!!

Natsu: "Nhhoooooooo!!!"

Though certainly smaller compared to an Orc, the size was still too large for Natsu's petite body, penetrating deeply all the way to the base.

Natsu: "Ahhh... It's, it's so intense... It's filling me all the way to the top of my head!"

With a force that seemed to pierce her very brain, her backside, filled to the brim, trembled violently as if writhing in pain.

Gang Member 1: "How's that!? Do you like the taste of my thing? Aren't you going to bite it off, huh!?"

Natsu: "N-No... I... couldn't... d-dare... Ohh... oohh..."

Natsu: "Still... even if it's smaller than an Orc's... I'd say a human's is... nnnh, ohh..." "My butt... fits perfectly."

This time, filled with gratitude, I tighten my rectal walls snugly around his shaft, undulating deeper inside with a smooth, slithering motion.

Gang Member 1: "Tch, this damn girl. How well-trained is she? It's like there's another living thing inside her ass."

Natsu: "Nufuh, nufufufu. Of course! If you think I'm just some lovestruck loli granny, you'll regret it!"

With her legs spread wide, Natsu moved them slightly, pistoning the man's cock within her own rectum on her own accord.

Her tightly clamped ring gripped onto the shaft, making slick, squelching sounds as she moved.

Natsu: "Oh, hoo, kuuhh!! K-keh, my ass, nnhooohh! It's feeling amazing, it's turning inside out uuuhhh!!"

Gang Member 1: "I get it, you're no ordinary woman. But don't hog it all to yourself. The party is just getting started."

The man began to roughly roll her flat chest and hardened nipples with his fingers.

Natsu: "Nuhieeee!!! Uihieeee!!!"

Natsu's voice went up in a high-pitched squeal.

During her rejuvenation using the Soul Escape Technique, her chest was set to the stage where it was just beginning to grow, the most sensitive period to touch.

Natsu: "Th-thereeee!! Oh, there, thereeee!! Uhieeee!!"

Natsu: "Right now, my chest is just starting to, growww, nuohh!! It's so painful, painful!!!!"

Natsu: "But that's what makes it feel so goood!!! My chest hurts so good, hiiii!!!"

Gang Member 1: "Take this!!"

Natsu: "Ohhhhhooooohhhhhhhhhhhhhhh!!!"

The man rammed his cock deep into her rectum. Natsu's moans rose to an even higher pitch.

Natsu: "Ngh-oh! Ohhh! Keep thrusting harder, please!!"

Gang Members 2 & 3: "One cock isn't enough, is it?" "Here's a gift for this depraved hag."

Men on either side thrust out their cocks. The overpowering scent of masculinity filled the air.

Natsu: "Wheeeeeeeeeee!!"

Natsu let out a bizarre scream like someone addicted and grabbed it with both hands.

Her slender and long fingers wrapped around the throbbing, pulsing shaft.

Gang Member 2 & 3: "Ohhhh!!" "Gahhh!!"

Even though they had willingly offered themselves, the men instinctively tried to pull back.

Natsu: "Nuhuhu, you're not getting away anymore. Both of these belong to me. I'm going to enjoy myself thoroughly."

Natsu began to skillfully stroke with the palms of her hands, licking her lips in anticipation.

Natsu: "Uhuh, uhuhuhu! Here we go!!!"

With the first slippery glide, a stream of precum spurted out as if they were ejaculating.

Natsu: "Ohh, ohh, ohh. Young guys are so full of energy. Look at all this precum."

Her small palm quickly became slick and sticky.

Natsu: "Let's see, let me have a taste. *Slurp...* looks like you haven't released in three days. *Lick lick...* and you, you were with a woman last night, weren't you?"

Natsu licked her hand covered in precum and pointed it out to the owners.

Gang Member 2 & 3: "Damn you!!!" "C-can you really tell?!"

Natsu: "Nufufu, of course I can. Who do you think I am? I'm Natsu Inage, the Soul Escape Anti-Demon Ninja."

Natsu: "Just a little serious handjob, like this. Shiko shiko shiko shiko shiko shiko~~~~♪"

The five fingers gripping each of their shafts moved so bewitchingly it seemed as if there were ten or even twenty of them.

Gang Member 2 & 3: "Oooohhhh!!!" "Gaaaahh!!!"

The two men could only twitch their hips spasmodically as they cried out.

Natsu: "Feels good, doesn't it, my hand vagina? Don't worry, I'm not going to let you come so easily."

Natsu: "Let's all enjoy together until the very last moment, and then let it out spectacularly. Like that, like that, uh-huh, isn't it fun?"

In Natsu's small hands, a cock swells, almost ready to burst, pulsating intensely.

Natsu: "Uhiieee! Playing with a cock with this tiny body is irresistible! Sheeko, sheeko, shiko shiko, kukuku."

The two men, having carelessly thrust their cocks out, are now nothing more than toys for Natsu.

Of course, even while she is playing, the first man is pounding relentlessly into her rear.

Gang Member 1: "Isn't she in a great mood!"

Natsu: "Kukuku, ah, isn't it obvious? Surrounded by so many cocks, what woman wouldn't be in a good mood!"

Natsu twists her hips, still holding a cock in her ass, in a wide-stance position.

Her anus makes crude noises, and intestinal juices spill messily through the gap.

Natsu: "Oof, uhooah! S-so who's next? Whose cock is it? There's still one important hole left open, isn't there?"

Natsu: "Who's going to take the tight tight pussy of this Lewd Lolita Hag? It's first come, first served, here you go, here you go."

Natsu thrusts out her pussy, spraying her love juices, giving the men a voluptuous display.

Gang Member 4: "Tch. Too much pointless talk is a turn-off. Just take this in your mouth for a bit."

Natsu: "Guhh!?"

One of the men grabbed her forelock and forcefully shoved it into Natsu's mouth.

Natsu: "Fugugugu!?"

Natsu didn't resist and took it in her mouth, but even without being forced, she had already lost the ability to speak.

She was completely captivated by the man's thrusting cock.

Natsu: (Wha... what an incredible cock this is... I can't believe a man with such a magnificent cock still exists out here...)

Even Natsu, a master of the art of love and who has experienced thousands, if not tens of thousands, of cocks since her youth, found this one so impressive.

The immensely thick cock arched just right, with veins bulging like snakes, and the head was swollen to an intimidating degree.

Natsu: *Sluurp... sluurp... sluuurp... sluuurp...*

Drool overflowed from her mouth, soaking into the cloth clutched between her teeth.

Her pussy lips trembled and swelled, leaking love juices like a faucet with a broken handle.

It was a cock that made her forget about the one in her ass and the ones gripped in both of her hands.

Natsu: (If that enormous thing were to be thrust into this tiny body... if it stirred me up...)

Natsu: *Hehehe... heeheehee... heeeheeee... ♪*

Gang 4: "What a woman. Salivating and eager from both mouths. She's a true cock addict."

As she was startled back to reality by being prodded on the forehead by the exasperated man's cock, Natsu returned to her senses.

Natsu: "Ah... of course... *gulp*... how many women have you made cry with that cock of yours?"

Gang 4: "Who knows? Do you remember the number of men you've been with?"

The man, full of confidence, teased Natsu by pulsating his cock before her.

Natsu: "Oh, I certainly don't remember!! How many cocks I've taken until now!!"

Natsu: "But, buuut, ohhh!! This is the best cock I've ever encountered! For the first time, ohhhh!! Hiiheee!!"

Natsu, eyes fixed on the erect cock, laid her desires bare as she responded.

Gang 4: "Those greedy eyes of yours." Do you want this that badly?"

Natsu: "I want it! I want it so much! Ravish me with that exquisite cock!! Put it here, right here!!"

Natsu responds without hesitation.

At the same time, she sends infidelity towards the man, making desires surge, disregarding his usual preferences entirely.

Gang 4: "You lewd Lolita hag!!"

Natsu: "Hyaheehee♪"

The man discards his former composure and lunges like a beast with ferocity.

Natsu (It's coming, it's comingggggg!!!)

Natsu: "Unguooooo!!"

To savor every bit of the sensation from the vaginal penetration, Natsu tenses her entire body.

Goryuuuuu!!

Natsu: "Gugyaaahhhhhhhhhhh!!"

At the moment of being impaled by that exquisite cock, Natsu lets out a deep scream that would make even a cat in heat run for cover.

Natsu: "Ngick!! Igiieeeeeee!!! Fungiieeeeeeeeeee!!"

Natsu: "This incredible cock!! This exquisite huge cock!!! It's filling me up completely!!"

Even if it were a mature woman's body, this monstrous cock would be daunting.

That monstrous cock violates the still immature insides of her small body.

Natsu: "Aaaahhh!! This! This is it!!"

Natsu: "This feeling of being split by a cock ah!! It's been so long!!"

Natsu: "Nggghiiiiiiii!! Abiiiiiiiiiiii!!!"

The hot, hard, and thick shaft fills the short vagina in an instant, relentlessly pressing further in.

Natsu: "Ngghhhh!! Oogghh, all the way to my uterus! It's... coming, deeeep insiiide!!"

A painful, yet pleasantly nostalgic sound resonates as if her body is being destroyed from the inside.

Gang 4: "I'm gonna break you!"

Natsu: "Y-yes, do it! Don't hold back! Just keep going, just like that!!"

Natsu: "Break my tiny womb apart!!"

Gang 4: "Here we goooo!!"

Thuddddd!!

Natsu: "Oooooaaahhhhhh!!!"

The massive shaft slams into her uterus, the intense sensation wiping her mind blank.

Her vagina, her uterus, they're all filled to the brink, as if they'll tear apart any moment.

Natsu: "Aaah... ahhhh... Aahhh, it feeeels aaah!!"

From her mouth, her vagina, even her anus, indecent fluids are pouring out uncontrollably.

It even feels like the love juices are seeping out from her brain.

Natsu: "Ahh... ahahah... heehee... kuh... ehehhehe♪"

Gang 4 & 1: "This chick's laughing." "She's quite possibly gone insane, hasn't she?"

Gang 2 & 3: "If that's the case, we'll just use her as a toy until she dies." "It's a special gift, after all."

The men all wore vulgar smiles as they vigorously began thrusting their shafts inside Natsu's vagina, her anus, and her hands.

The uterus was being pounded, the rectum pushed so hard it might reach the stomach, while her hands rubbed to the point of almost getting burned.

Natsu: "Ohhh, ohhh! Oohhh, uuugh, hoooahh! Nuhuuuhhhohohhhh!!"

Natsu briefly pretended to go crazy and allowed the men to attack her, but soon found that wasn't enough.

Natsu: "Nuhaha... nyuhihihi... You guys are still not there yet."

Gang 4: "You, are you still sane!?"

Natsu: "Uheeheeheehee. What are you misunderstanding? Fool. There's no way I'd go crazy from a dick, right?"

Natsu smiled slyly, coating all her lady parts with ample distractions and squeezed out everything from their cocks.

The gang members: "Oooofuuuuu!!"

The men collectively held their breath.

Natsu: "In the end, I have to finish up myself, don't I? I'll make sure you release plenty until I'm satisfied. It's the ejaculation game where everything ends if you die."

The gang members: "Wait!" "Stop!" "Quit it!" "Hiiieee!"

Their faces all tensed up at once, but by now, their bodies couldn't obey their minds.

They just continued to thrust at Natsu like max-power electric vibes.

Natsu: "Ahhaaahhh!! Hehyaaahh, aaahh, nhiaaahhh!! Nfuh, nhh, kufuuuuu!!"

Natsu unleashed the full force of her technique that she had been holding back until now, ruthlessly attacking the four cocks.

Normally, the stimulation would cause them to ejaculate in less than three seconds. However, with her technique, she forced them to endure, making them hold back until they had enough for two or even three ejaculations.

The men couldn't even scream, their entire bodies seemed to turn into penises, veins bulging as if they were thrusting.

Natsu: "Do you really want to come so badly? Do you want to come with me so much?"

The men clenched their teeth and nodded vigorously, like bobblehead dolls. Their minds were entirely consumed by the desire to climax.

Natsu: "I see, I see, what adorable guys you are. All four of you, let me bring you to the peak! Here we go, ah, oh!"

She could have teased them a little longer, but it seemed someone might die from the tension before they reached climax. That would ruin everything.

Natsu: "Here we go, let's all come together! With everything: Vagina, hand, and butt, all at once. Ah, ohh, ahhh!!"

Natsu: "This edge-of-the-knife feeling is irresistible! Ahhh, coming, ohhh! I'm coming, coming, I'm cooomiiiiing!!"

Natsu: "I'm cooomiiiiing!!"

Gang: "Ohhhh!!!"

At the same moment as Natsu's climax, the men ejaculated in unison, without missing a beat.

Splurt!! Splurt, splurt!! Spluuurt!! Splurt!!

Scorchingly hot semen struck her womb, surged back up into her rectum, and splattered messily across her face and body.

Natsu: "Aahhhhh! It's coming out, it's coming out!! So much pent-up semen!!"

Natsu: "Ohhhh! Ooh, ohooooh!! Ahhoooh!!"

Natsu cried out in a high-pitched voice, savoring the sensation of semen both inside and outside her small body.

After all, each man had been holding back for multiple climaxes, making the force and volume tremendous.

Natsu: "I'm completely covered in semen, both inside and out! Oh, having a small body makes this irresistible. Hehe, hehe, hehehe!!"

Natsu's small womb quickly became soaked with semen, and the insides she'd prepared by emptying out beforehand were now fully filled through her mouth and anus with semen.

With endless ejaculations from both sides, there wasn't a spot on her face or body that wasn't left sticky with semen.

Natsu was just like a filthy semen bag by now. But that didn't mean she'd stop making them ejaculate. Any excess could just be absorbed as part of her skills in the room technique.

Natsu: "You're not done yet, are you!? Come on, give me more, more!! Ejaculate until my body can't take it anymore!"

Natsu: "Mm-hmm, mm-hmm, mm-hmm!! That's it, that's it, that's it-e-e-e-e-e-e-e-e!!"

While taunting the men, Natsu made her vagina throb, her anus quiver, and her hands vigorously move. Her assault using her room technique made the ejaculating members squirm, increasing the force of their release.

Natsu: "Ohhhh yes, yes ye-e-e-e-e-s!! This is a good cock, a good ejaculation!!"

Natsu: "Let's give you some praise!! This is a Christmas present! Go on, ejaculate more!!"

SPLUURRRRT!!

Natsu: "Oohhhh ye-e-e-e-e-s!!"

Gang members: "Ugh!!" "Oh oh oh!!" "Stop!!" "Help!!"

Even as Natsu was overwhelmed by ecstasy, the ejaculating men began to beg for mercy.

Natsu: "Fools, how can you stop ejaculating when I'm still in the middle of this!?"

Natsu: "Instead of whining, spew out your semen, give it, give it, give it!! Oohhhhhh!!"

Without showing any mercy, Natsu wrung out every drop of semen from the writhing men, thoroughly absorbing their life force.

SPLURT! SPLURT! SQUIRT!

Natsu: "That's right, that's right! I'm finally getting into the rhythm!! When being ravaged, it should be at least this intense!!"

Natsu: "Oh, whoa, I'm gonna come again!!! Again and again and again!!! Ahhhhhhhh!!"

All the gang members were reduced to nothing more than ejaculation machines, and only Natsu's cries of ecstasy echoed throughout.

Natsu: "Hehehe. You all did well. Well, I suppose it's a bit short of a full course, though."

Natsu: "What's this, is everyone down already? Quite the pitiful crowd for such young ones."

By the time Natsu was somewhat satisfied, none of the men who had been at the party remained standing.

She hadn't killed a single one. She had simply drained them dry, stopping just short of that.

Natsu: "Both inside and outside this tiny body are covered in semen. This is what you'd call a real White Christmas... Just kidding. Kufufufu."

She chuckled to herself, telling a poor joke, covered as she was in semen.

Natsu: "Well, that was fun. Now let's dive into their dreams and snatch some information."

Wearing a sly grin, Natsu began to cast a spell on the men who had completely lost consciousness.
