

Order Service

Get Order Tracking

When to use: Use this when you want to retrieve package tracking details for a specific order.

In sandbox, orders are not shipped and fulfilled. Therefore, this one references the production instance of the Mimeo Print API instead of sandbox.

During your production launch, we will assist when you are ready to test this call.

Headers

-
- **Content-Type** (optional)
string
Media type of the body sent to the API.
-
- **Ocp-Apim-Subscription-Key**
string
Subscription key which provides access to this API. Found in your [Profile](#).
-

API Definition

https://printportal.api.mimeo.com/api-details#api=5af0173ff920191760ee10ec&operation=OrderService_REST_GetOrderTracking
