

WINDY PINES
FOUNDATION

www.windypinesfd.org 

Welcome! We're the Windy Pines Foundation.

Our mission is **to provide financial resources** for transformative social and economic change **in communities negatively impacted by systemic inequity**. As thoughtful and intentional stewards of our financial resources (and in recognition of our position of power and economic and racial privilege), WPF supports BIPOC leaders and BIPOC-serving organizations. We commit to doing this through single or multi-year funding opportunities that build relationships and foster change.

We're seeking inclusive collaboration with leaders to build a culture of belonging to repair and redistribute power back to BIPOC communities in Colorado (with emphasis on the Pikes Peak Region).

To apply for our rolling grant program, please share the following information as it fits your organization.

If you have an existing or past grant application that provides this information, feel free to send us that and we will follow up with questions if needed. If you have any questions before you apply, feel free to contact us via phone or email—we'd love to assist in any way we can.
