Updates from the Circles:

- Funding and Admin

Very low money (\$3000) which is needed for Oct stipend payments & materials

Say what you will do, do it, tell us what you did

Social media outreach, website and content creation for promotion

Looking for help, Troy would like to do some content creation

Earthwaking crypto marketplace - Nature coin - local exchange

Look at what you have to offer and put it on the marketplace

What you would like to buy? talk with them about accepting nature coin

Sydney- a room for rent and a car are going to be offered on the

marketplace

- Land Stewardship

Six Phases of Land Stewardship - outlining the value exchange

The land is being put in trust because it is priceless

Our interpersonal exchange is the value we are building and sharing

Private Membership agreements and Trust documents are in the work

The stages of stewardship are here to give people a roadmap of how to perform responsibilities to be able to request rights

- Regenterprise

Ideas to Increase the Energy and Motivation to come back to the DBC

- Clear Membership/who is allowed to vote/not clear right now
- Time of year, many experiencing burnout/overwhelm
- Low energy could be seasonal (time people are spending in the neighborhood, many nomads can be expected low attendance)
- "Skeleton crew" needs our support too.
- Is the mission and vision appealing to you? Phases/seasonality.
