

Fixed Addend

Materials: 1 deck of playing cards, paper, pencil

1. Remove the face cards from the deck of cards
2. Shuffle the cards and place the stack facedown.
3. Turn over the top card and place it face up in the middle of the table. That is the first addend.
4. Each player draws a card from the stack and adds the card to the addend card. The sum is the player's score for the round.
5. Each player writes their score on their paper.
6. Each player draws another card and adds the new card to the addend card. The players each write their sum on their paper and add it to the sum from the first round.
7. The game is over when there are no more cards in the stack. Players find their total number of points for the game. The person with the highest number of points wins the game.
