

**When Pigs Fly:**  
**He Heals**  
**February 11, 2024**

*“But God demonstrates his own love for us in this: While we were still sinners, Christ died for us.” – Ephesians 6:13*

Your \_\_\_\_\_ do not \_\_\_\_\_ your faith.

God \_\_\_\_\_ the power to heal, but he doesn't heal everyone \_\_\_\_\_ the time.

God did some amazing things through \_\_\_\_\_, but He didn't give \_\_\_\_\_ everything he wanted; all the time.

We cannot reduce God's \_\_\_\_\_ to \_\_\_\_\_.

Three reasons Jesus would withhold healing:

1. Jesus refused to perform miracles to \_\_\_\_\_ himself.

**\*Mark 8:11-12\***

2. Jesus never performed miracles that \_\_\_\_\_ with God's ultimate plan.

**\*Matthew 26:53-54\***

3. Jesus didn't do miracles where there was \_\_\_\_\_ faith.

**\*Matthew 13:58\***

When it comes to your faith is God saying:

\_\_\_\_\_! Look at that faith!

Or

\_\_\_\_\_.look at that faith...

Things we can do in response to what we read about God's miracles:

1. Have \_\_\_\_\_ in God.

Our faith should not be based on what God \_\_\_\_\_,  
but rather it should be based on who God \_\_\_\_\_.

2. Keep praying \_\_\_\_\_ prayers!

God wants us to keep praying \_\_\_\_\_.

**Reflect on these questions this week:**

- Have you ever felt hesitant to pray for someone's healing? Why do you think that is?
- What is the state of your faith? How can it grow?
- What spiritual, physical, or emotional miracle are trusting God with?
