Reference:

The grading system of the trainee's performance as shown in the table below:

Category	Grade	Note
-----------------	--------------	-------------

<p>Below expectations</p>	<p>May not meet the requirements for critical progression point</p>	<p>If the trainee's performance is below expectation in the 1st year, there will be no extension of training period.</p> <p>If the trainee's performance is below expectation in the 2nd or 3rd year, extension of 6 months of training will be implemented with close monitoring from the supervisor in charge after assessment by TMC.</p>
<p>Meeting expectations for the year of training</p>	<p>Expected to progress to next stage of training</p>	
<p>Above expectations for the year of training</p>	<p>Expected to progress to next stage of training</p>	

For those trainees who perform below expectation, there will be **a remedial plan** of action in written form and agreed upon by both the supervisor and the trainee at the end of year 1 and year 2 of assessment.
