

OUTDOOR CLASSROOM ZOOM ACTIVITIES

MAY 11-15

Monday, May 11

DIY Sidewalk Chalk Paint

Measure, Mix, and Paint using this runny chalk paint! Best used outside with a paintbrush in one hand and a popsicle in the other!

Materials Needed:

2 cups Cornstarch

2 cups Water

Food Coloring

Cups/bowls to hold your paint

Paintbrushes

Tuesday, May 12

Meet a college soccer player! PE CLASS

My sister, Tyler, just recently graduated college! She played soccer all four years and was a captain of her team for the last two! Come ask her questions about soccer, and she'll share some basic how-to's! Come join for a PE class!

Wednesday, May 13

Solar S'mores

Learn how to make your own solar oven to cook your s'mores in! No campfire needed!

Materials needed:

A sunny day

An empty pizza box (or thin box that you can cut a flap into)

Plastic wrap

Scissors

Tape

Aluminum Foil

Chopsticks or a ruler (to prop open the flap)

Graham Crackers

Marshmallows

Chocolate

Thursday, May 14

DIY Suncatcher

Brighten up your yard with these lovely sun catchers!

Materials Needed:

Contact paper

Scissors

Marker or pen

Rings from Mason jar lids

String

Nature materials - flower petals, grass, leaves

Friday, May 15

Join me for a walk in Nevada

Come take a walk with me around Nevada! I might go to a cool place with lots of rocks and even a stream!! Bring some paper and drawing materials to sketch the environment!

Reminder: Email me pictures of your learners doing some Outdoor Activities!
