

# Privacy Policies

- **Privacy Policy**

Eralp Software built the RezzApp app as a Free app. This SERVICE is provided by Eralp Software at no cost and is intended for use as is.

This page is used to inform visitors regarding our policies with the collection, use, and disclosure of Personal Information if anyone decided to use our Service.

If you choose to use our Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at RezzApp unless otherwise defined in this Privacy Policy.

- **Information Collection and Use**

For a better experience, while using our Service, we may require you to provide us with certain personally identifiable information, including but not limited to Sms Permission, Read Call Logs. The information that we request will be retained by us and used as described in this privacy policy.

The app does use third party services that may collect information used to identify you.

We need sms permissions because since the application is a reservation application, automatic sms will be sent to the people who have booked.

We need read your call logs because in order to quickly add the reservation from their contacts, it means better user experience.

- **Log Data**

We want to inform you that whenever you use our Service, in a case of an error in the app we collect data and information (through third party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol (“IP”) address, device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics.

- **Security**

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

- **Links to Other Sites**

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us.

Therefore, we strongly advise you to review the Privacy Policy of these websites. we have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

- **Contact Us**
