

There are	more	cars	in the city.
There are	fewer	cars	in the countryside.
There is	more	noise	in the city.
There is	less	noise	in the countryside.
There are	more	trees	in the countryside.
There are	fewer	trees	in the city.
There is	more	fresh air	in the countryside.
There is	less	fresh air	in the city.
