

Hello {{Contact Name}},

It is great to meet you! My name is {{your name}} and I am an Account Executive for Elev8. We would love to get you set up with a wholesale account and get you hooked up with some of our products. The process is very simple for you, we would just need a copy of your Tax ID card for the business and a billing address to set everything up. The next step would be to go through our Re-Seller's Agreement and go through the form at the end.

Re-seller's Agreement:

We would love to learn a little more about your shop so we can be sure to get you hooked up with the right product that will move well for you guys.

How did you hear about us?

What kinds of things do you specialize in?

Are you currently offering vaporizers and glass?

Which of our products were you thinking of bringing on?

I apologize for the list of questions. We try to work closely with our resellers to ensure the product you have, sells and you guys see more profits, faster.

We also offer online education courses that can help bring you and your staff up to speed on our products and others in the industry. It is completely free, just another resource for you.

Once we get you all approved, we can create a login for you through our wholesale website so you can see the slew of products at wholesale pricing. For now, feel free to log in [HERE](#) with the email: elev8@elev8.com and the password: elev8me to take a look around.

Take a look at the attached Featured Price List so see some of our hottest sellers. Or take a look through our Introductory Packet below!
