Fall soccer officially wraps up tonight with the championship game!
A huge congratulations to Al Hubi and Mike Martinello and the 5/6 Boys Team on winning the East Division and earning their spot in the overall championship matchup. Great job to the players and coaches on a fantastic season.

As we transition into the colder months, winter sports are right around the corner.

- Basketball practices will begin in the next few weeks.
- Indoor soccer registration is still open. Our goal remains to create separate boys and girls teams; however, some grades may be combined into co-ed groups if needed.

Looking ahead, we have several exciting events and programs on the way:

- Keep an eye out for winter festivity flyers and updates through Community Pass.
- Our Adult Kickball League is returning in just a few months—if you're interested in coaching, please email the Rec Department.
- And mark your calendars: the ISPW Wrestling Event is scheduled for March 20th. This is a ticketed event, with registration opening in January.

More information will follow—thank you for your continued support and involvement in our Rec programs!

-Fundraising on the horizon for next year.

-More exciting things to come for Travel Soccer.
