

Students & Parents,

We hope you are as excited as we are about **Clue: A Night of Mystery**, our Annual Event 2024! We need your creativity and connections to support our DOTS Silent Auction at the event in support of year-round TPC events and activities! This year, we are moving to become a self-sustaining organization. Here are a few guidelines to help you come up with some fun auction donation ideas:

- Aim for useful items/services that appeal to a variety of people
- Work with your strengths and interests
- Feel free to collaborate with other students and families
