

**600S BUSINESS & FINANCE MANAGEMENT 1: Term: S Grade: 9 - 10 .5 Credit Elective
SMALL BUSINESS MANAGEMENT**

This class is designed to introduce students to the World of Business. Basic economics, business ethics, entrepreneurship, and small businesses, business ownership and operations will all be topics discussed in this class. This course will be hands-on and project orientated, with many projects completed electronically. Students will develop a business plan with the knowledge they have acquired through the curriculum and participate in Junior Achievement **Be Entrepreneurial** Program.
