AUNE Community Health Pledge
Fall 2021

This is a <u>requirement</u> of all members of the AUNE community, faculty staff, students, visitors who come on campus.

At Antioch University and at AUNE we are committed to promoting an educational environment this semester that is based upon:

* Appropriate safety considerations for all members of our community; students, faculty, and staff.
* Pedagogical approaches that work best for the content and desired learning experiences
* Academic and student support to help our students to be successful

In order for this to happen we expect all; faculty, staff, and students, who come to any Antioch University activity or facility to pledge to follow the health guidelines for vaccination, masking, and social distancing put in place for the AUNE community.

Please read the following documents found in the COVID Campus Procedures under the AUNE Spaces tab on AU Direct:
* AUNE Campus Operating Procedures/ Expectations for Participation for FALL- updated August 19, 2021
* Frequently Asked Questions and Travel Information-FALL-updated August 19,2021

*Submit your Vaccine verification here: AUNE Vaccination Submission Form or exemption form to-aunevaccinations@antioch.edu

Please read through the documents and sign your commitment to actively supporting the health and safety of our educational community here: **AUNE Community Health Pledge**

We are looking forward to a healthy and productive semester!

Shawn M. Fitzgerald, Provost & CEO
and the Reopening Task Force
