The Washington Conference Program is operated by the National FFA Organization in cooperation with the U.S. Department of Education, Washington, D.C. The conferences are designed to serve chapter FFA officers and advisors. District officers are also eligible to participate. State officers or students who will **not** be returning to high school in the fall are not eligible to participate. Due to a limited number of spaces, students are **not** eligible to return for a second year.

The function of the Washington Conference is to further develop leader confidence and skills. Officers and advisors will become personally acquainted with a National FFA Officer(s), gain appreciation for our nation's great heritage, and participate in leadership and personal development workshops. The workshops will be conducted by an outstanding and experienced staff.

Special emphasis during the conferences will be placed on obtaining new ideas for chapter action including fund raising, public relations, community development, and the effective use of state and national FFA activities and services. Participants will visit the National FFA Center, Mount Vernon, Arlington National Cemetery, historical monuments and their home district congressman on Capitol Hill.

The number of WLC scholarships will vary each year depending on funding availability. Scholarships are funded by the Oregon FFA Alumni. Applicants can only come from a chapter with a current alumni affiliate.
