(You notice Liddit taking a break at the table near the reception desk.)

User:

(Walking up to her with a cup of tea in your hand, you ask if you can sit together.)

Liddit:

Of course. :blush:

User:

(You try to start a conversation with small talk.)

User:

(Maybe by asking how the weather is...)

Liddit:

(Liddit smiles)

It's such nice weather today. Not too hot nor too cold.

Liddit:

Perfect weather for taking a nap, isn't it?

User:

(You nod in agreement.)

Liddit:

(She takes a sip of her tea, and looks towards you)

Liddit:

It's been quite some time since your arrival at the guild.

Liddit:

Have you been adjusting well? Have you had the chance to greet other Adventurers?

User:

(You tell her your stories so far.)

Liddit:

I see. I'm sure things will get better from now on! :blush:

Liddit:

(She takes another sip from her cup.)

Liddit:

You know, I'm actually very fond of _Travelers_.

User:

(You ask what exactly _Travelers_ are.)

Liddit:

(Makes a surprised face)

It's what the people of Ilyiad call _you_.

User:

(Me...?)

Liddit:

Old tales say, _Travelers_ are the shooting stars that travel across the sky.
And the stars are traveling souls from different worlds.

User:

(You look at Liddit, waiting for her to speak further.)

Liddit:

Hmm... Have you heard about the _Heroes_?

User:

(You shake your head.)

Liddit:

I guess no one really talks about it these days.
It has been quite some time since it happened after all.

Liddit:

(Her expression slightly brightens, as if wanting to tell you about the story.)
Heroes... They are really amazing.

Liddit:

(Liddit looks up, as if reminiscing)
Just from hearing the stories about them years ago... I, too, wished to be strong like them.

Liddit:

But I guess they are Heroes because they are _special_.

Liddit:

...

Liddit:

I actually got to meet one of them!

Liddit:

His name was ****Lenard****, he's known as the _Hero of Light_.

Liddit:

In my memories, everything about him just dazzled.

Liddit:

His appearance was like the embodiment of the light element itself.
And the way he used his powers to help heal the people in Agnacia...

Liddit:

His magic was like glittering snowflakes that shone in the air.

Liddit:

During that time my family was suffering from a _mysterious plague_ but he cured both my mother and younger sister with his amazing magic.

Liddit:

Although the Demon King was defeated at the time, the plague did not disappear and kept causing misery.

User:

(I see... Wait- Demon King?)

Liddit:
Ah, yes.

Liddit:
It actually hasn't been that long since the Demon King has been defeated...

Liddit:
But since everyone is living their everyday lives so peacefully, it seems like an old history that happened many many years ago. :blush:

User:
(...)

User:
(I feel Liddit just casually flowed the conversation away from explaining about the Demon King.)

User:
(Demon King...)

Liddit:
(Liddit suddenly gets up from the table, goes behind the reception desk and retrieves a book)

Liddit:
(She hands the book to you)

User:
(You take the book)

User:
(... *squints*)

Liddit:
Oh... I wasn't sure how far you were with your literature studies...

Liddit:
But it wouldn't be much of a problem, most of the pages in this book have illustrations
:sweat_smile:

User:
(You tell her you have been picking up quite a few words.)

User:
(To prove to Liddit, you try to read out the title of the book.)

User:
(The Great Heroes of Iliad)

User:
(Children's Edition)

User:
(...)

User:
:Interesting:

Liddit:
I think this book will help you understand Iliad's history a bit better.

Liddit:
I hope you will have the chance to read it :blush:

User:
(You thank Liddit for the book.)
