

## TRUFOLD

Trufold is a locally owned and operated business in Tauranga specialising in powder coating, sheet metal flashing and waterjet cutting. Our talented team of 30 has many years combined experience in the industry and our investment in technology and specialist machinery places us at the forefront of our industry not just in New Zealand but worldwide. We pride ourselves on our customer service, delivery and positive team environment.

Located in Greerton we are looking for motivated, positive, fit and healthy people join our team. Starting out in our pre-treatment department you would learn about various metals and the pre-treatment process. This is the most critical part of the business because without correct pre-treatment we don't get the best result for the Powdercoating.

Whats in it for you:

- Working for a forward thinking proactive company which is growing and has a strong customer focus and team focus.
- Ability to learn other jobs and grow within our company.
- Fun, friendly, teamwork environment with a good pay rate
- Check us out at [www.trufold.co.nz](http://www.trufold.co.nz)
