

DO NOT MOVE CLIENT - pretty please make sure that the therapists switch rooms so that the client doesn't have to get up in between their services.

**Reminders:**

The massage should always be booked before the facial so that the client doesn't lay their fresh face in the cradle.

If it's a 90 minute massage and a custom facial (60 mins) please don't book both services with the same practitioner (it's a long time to be in a treatment room). You can however book a 90 min massage with a 30 min mini facial with the same practitioner.

**Spa Days**

60 min massage and 30 min mini facial \$185
