Dear FHS Parents/Guardians:

Our goal is for all students at Fenton High School to be successful academically and earn the required credits needed to graduate in four years.

To help students accomplish this goal, we will offer After-School Tutoring in the FHS Lecture Hall, Monday through Thursday from 2:40 until 3:40 beginning Monday, September 9th.

There will be no charge for participation in this program. If your child attends After-School Tutoring he/she will work under the supervision of a teacher on homework and other assignments for which he/she is in greatest need of assistance. We will focus on the content areas of English, math, science, social studies and foreign language.

If you are interested in having your child participate in this academic assistance program, please complete the enclosed permission form and return it to the FHS Counseling Office.

Be sure to indicate whether or not bus transportation home will be needed. (A bus will be available to transport students at 3:25 from FHS to the Ellen Street Campus where students will catch a second bus home.)

We expect that your child's participation in this program will help him/her succeed in his/her classes and stay on track for graduation in four years.

If you have any questions, please contact the Counseling Office at FHS: (810) 591-2612.

Sincerely,

Michael S. Bakker  
Principal
