Provide Greater Access to STEM Education to All Students

**Daniel C.**

**Tutor**  
**San Antonio Math Include**

Daniel was part of the Class of 2022 at Basis San Antonio Shavano. His favorite subjects are Biology and Chemistry. Math has always been one of his favorite subjects, leading to his interest in calculus-based sciences. He has spent 6 years volunteering at Meals on Wheels and the San Antonio Food Bank. In his free time, he likes to play frisbee and engage in political discussions. He also enjoys trivia, specifically football, basketball, and baseball. Daniel is currently part of the Trinity University Class of 2026.
