

Art Making & Exhibiting UNIT 3

OUTCOME 1 (and 3): THREE ARTISTS

ARTIST and ARTWORK LIST

Aim to select THREE artists working in a similar ART FORM to one that you are focusing on in your own art making Folio. In that way when you discuss materials and techniques you have a greater chance of being able to describe processes in depth.

Select THREE artists, and TWO artworks (at least) from each artist from the list provided.

The artists below is just a starting point! They have been carefully selected for you to ensure you are collecting and learning about artists from a **range of times and cultures** including First Nations and are those the VCAA examiners will be familiar with.

The artists you choose should be working in the same Art Form (UNLESS they work in different artforms)
