Privacy Policy

This privacy policy tells you how we use personal information collected on this website. Please read this privacy policy before using the website or submitting any personal information. By using this website, you accept the practices described in this privacy policy. These practices may be changed, but any changes will be posted and will only apply to future activities and information, not retroactively. We recommend that you review the privacy policy each time you visit the site to keep track of policy changes and to ensure that you understand how the personal information you provide will be used.

Note: The privacy practices set forth in this privacy policy are for this website only. If you link to other websites, please review the privacy policies posted on those websites.

Information Collection

We collect personally identifiable information, such as names, email addresses, etc., when our visitors voluntarily submit it . This information is only used to fulfill your specific request and to sign you up for our service mailing list, unless you give us permission to use it in other ways.

Tracking technology / cookies

What are cookies?

Cookies are text files that are placed on your computer to collect standard Internet log information and information about visitor behavior.

How do we use cookies?

This website uses cookies and tracking technology for the following purposes:

- Functionality: we use Cookies linked to the personal information you submitted in the Order Process, so that we can recognize you on our website and remember your previously selected preferences. These include your name and email address.
- Advertising: We use cookies to collect information about your visit to our website, the content you viewed, the links you followed, and information about your browser, device, and your IP address. We share some limited aspects of this data collected through cookies with our advertising partners. This means that when you visit another website, you may be shown advertising based on your browsing patterns on our website.

Cookies linked to your personally identifiable information, such as your name and email address, are not shared with third parties and only Breakthru Crisis can access them.

How to manage cookies

You can disable cookies on your device through your browser at any time. Instructions on how to disable cookies can be found here: 7 ways to disable cookies – WikiHow

NOTE: Disabling cookies on your device will affect the ease of use of this website. The loading times of the web page could also be slower.

Information sharing

We may share information with government agencies or other companies that help us prevent or investigate fraud. We can do so when: (1) permitted or required by law; Or, (2) attempting to protect against or prevent actual or potential fraud or unauthorized transactions; or (3) investigate fraud that has already taken place. The information is not provided to these companies for marketing purposes.

Commitment to data security

Your personal information is kept safe. Only authorized employees, agents and contractors (who have agreed to keep information secure and confidential) have access to this information.

Any sensitive financial data, such as credit card or debit card numbers, are secured with encryption protocols and are subject to the data policies of the payment processors used on this website: STRIPE PRIVACY POLICY; PAYPAL PRIVACY POLICY.

All emails and newsletters on this website allow you to opt out of receiving further emails.

Changes to our Privacy Policy

Breakthru Crisis keeps its privacy policy under regular review and places any updates on this web page. This privacy policy was last updated July, 2022.
