Midterm Exam

Second Semester

Comprehension

Read the following passage then answer the questions that follow:

With large quantities of water and a warm climate, **this part of** Palestine is an excellent place to grow bananas and various other fruit and vegetable crops – including, of course, dates from all the palms.

With its water and warm climate, human beings first started visiting the area 12,000 years ago. There were many people who chose to remain, and **they** became some of the world's first farmers. These were also the people that 500 years later constructed the first city in the world. Later, it had a high tower and stone walls which were almost four metres high. Tourists love seeing those walls today. They are a **window on our most ancient past.**
