

1. Click from the menu (menu done by megat)

A screenshot of the "Place Fixed Deposit" form on the left side. The form has a title bar with a back arrow, "Place Fixed Deposit", and a "Cancel" button. Below the title bar is a section "Fill in the details" containing several input fields: "Fixed Deposit Promotion" (with "No" selected), "Transfer From Bank" (with "Please select" and a dropdown arrow), "Account Type", "Tenure", "Rate (%)", and an empty field. At the bottom is a "Next" button.A screenshot of the "Place Fixed Deposit" form on the right side. The form has a title bar with a back arrow, "Place Fixed Deposit", and a "Cancel" button. Below the title bar is a section "Fill in the details" containing several input fields: "Rate (%)", "Principal Amount", "Auto-Renewal" (with a green checkmark), "Interest Crediting Option", and "Email Address (Optional)". Below these fields is a note: "* A notification to your email address on the FD placement transaction." At the bottom is a "Next" button.

- 2.
3. To proceed to the next screen, need to check on the android code.
