SECURITY

The venue must provide an experienced and properly trained security staff. The size of the staff should be large enough in number to supply all functional security needed to secure the venue.

DRESSING ROOM

The venue must provide a private, dry, clean, and lockable dressing room from load-in until load-out.

The dressing room must be appropriately heated, have appropriate lighting, and be fitted with a mirror, table and chairs for at least 8 people. A couch and a full-body mirror are very much appreciated.

Access to a private toilet and shower is an enormous plus.

WIFI

If WIFI is available, please provide us with the password (and username if applicable).

CATERING

Catering depends on the show configuration (solo/trio/quartet/full band). Please coordinate with us before providing the full catering. **At most**, the full catering specifications are:

- Black coffee and milk. Milk may be either cow milk or soy milk.
- 15x bottles of non-sparkling water.
- 21x bottles / cans of premium beer. If “Mahou” is readily available, please provide this brand. **NO IPA!**
- 15x cans / bottles of Coca Cola Zero. Pepsi Max is a plus!
- Assortment of cheese, meats, and sandwiches.
- 2x bowls of honey-coated peanuts.
- 2x bags of salt and vinegar potato chips. If “Tyrrels” is readily available, please provide this brand.

DINNER

Warm meals are required *post* show. Please coordinate with us before formulating meals.

PARKING

One **large** parking space is required *close to the venue*. If one large space is not feasible, please provide us with multiple spots that are next to each other.

MERCHANDISE

The venue or festival shall allow the sales of Marcos Cabanas merchandise before, during and after the show. Please provide enough space and 2 tables to set-up our merchandise. The space must be inside the venue, in a GA-accessible area.

GUESTLIST

10 people, if necessary with backstage access. Names will be provided in advance. If passes are required, please let us know such that we can provide them, or in the case where venue-specific passes are required, please hand them over to us at load-in.

THANK YOU!

The hospitality rider and a welcoming and helpful promoter & staff are all an essential part of Marcos Cabanas putting on the best possible show for attendees. We would like to thank you for welcoming Marcos Cabanas to perform at your venue!
