

Meeting Notes

- Collecting content
 - We'll use the custom admin panel
 - Chloe will investigate Wufoo as a backup (if not Wufoo then Google Docs)
- When do we want it?
 - First round: Jan 4th – Feb 29th (this aligns with the Prof. Aspects assignment due on Feb 22nd)
 - Second round: April 4th – April 17th
- Requirements
 - Minimum of 1 case study per student
 - Minimum of 3 projects per student

Tasks

- Taylor: Send an FB message to class to bring laptops to test backend things
- Chloe: Explore if Wufoo can handle all of our cases
 - Associating a form submission with a specific person (ie. I can see that it's Taylor who submitted this, and not Ross)
 - Single, multiple images
 - Text & images intermixed
 - Links in project description
 - Video embeds
 - Tagging with preset tags
- Ross: Prep admin panel for demoing on the 30th
