

NOTE: After pasting these at the bottom of a post, change the font to default, and change the size to normal..

JUST THE NAME (use for roundups)	NAME AND SIGNATURE (use for everything else)
<u>Adrian Martinez</u>	<u>Adrian Martinez</u> is a graphic designer, comic book letterer, hobbyist writer, and all-around geek living in New York City.
<u>Bandit Queen</u>	<u>Bandit Queen</u> is either a bisexual urban Victorianist or the heroine of an adventure novel involving pirates. Your guess is as good as ours.
<u>Dominik Zine</u>	<u>Dominik Zine</u> is a nerdy lad from northeastern Poland and is generally found in a comfy chair with a book in hand.
<u>Etienne Domingue</u>	<u>Etienne Domingue</u> is not currently on fire. Ask again later.
<u>Harvey Thornton</u>	<u>Harvey Thornton</u> is an avid alliterating autodidact. He is currently considering continental conquest while watching too much TV in the progressive Mecca that is Ohio.
<u>Ivonne Martin</u>	<u>Ivonne Martin</u> is a writer, gamer, and avid consumer of all things geek—and is probably entirely too verbose for her own good.
<u>John Conroy</u>	<u>John Conroy</u> is a disabled nerd/geek/dork and aspiring metahuman. His interests include comic book superheroes, bunnies, and basking in existential ennui.
<u>Kinoumenthe</u>	<u>Kinoumenthe</u> is a sentient patch of mint sent to Earth to study human pop culture and stealthily report to her extraterrestrial overlords.
<u>Megan Crittenden</u>	<u>Megan “Spooky” Crittenden</u> is a secluded writer who occasionally ventures from her home to give aid to traveling adventurers.
<u>Miz Opifex</u>	<u>Miz Opifex</u> is a union electrician by day and a champion of feminine geekery by night. She lives in the American Rust Belt with her cat and a staggering amount of books,

	<i>movies, and albums on vinyl.</i>
<u>Scott Hill</u>	<u>Scott Hill</u> is a film geek who'd rather talk about movies than any other topic. Movies movies film cinema movies.
<u>SecretAgentR</u>	<u>SecretAgentR</u> is a spy for the feminist illuminati that may or may not exist. She has a deep love of all things geeky.
<u>Tova Crossler Ernström</u>	<u>Tova Crossler Ernström</u> is a bisexual Swede, feminist, socialist, INFJ, Hufflepuff, HSP and Taurus. She is fond of personality tests, labels and lists.
<u>Zachary Krishef</u>	<u>Zachary Krishef</u> is an evil genius. Do not question his knowledge of Saturday Night Live trivia or the Harry Potter books.
<u>Aranwe Quirke</u>	<u>Aranwe Quirke</u> is a totally real, definitely not made up name. No, you may not see the birth certificate.
<u>Rachel Vigo</u>	<u>Rachel Vigo</u> is a would-be critical geographer from Paris (the one in France, not the one in Texas). She is an avid devourer of books and plays video-games far too much.
<u>Elizabeth Ledwell</u>	<u>Elizabeth Ledwell</u> is a witch who has a certificate in graphics communications she doesn't use.
<u>Lacy Carew</u>	<u>Lacey Carew</u> is a self proclaimed geek and mom who wants to make sure she passes down all her nerdy knowledge to the next generation.
<u>Rana Newlove</u>	<u>Rana Newlove</u> is a transgender panromantic asexual activist living in Melbourne, with an obsession for music and hair dye.
