

MELT AWAYS

1 cup butter
1/3 cup powdered sugar
3/4 cup corn starch
1 cup flour

Heat oven to 350 degrees. Beat ingredients together until smooth and creamy. Form into small balls, about the size of a quarter (and no bigger – they will grow as they bake). Bake for 12 minutes.

Frosting:

3 ounces cream cheese, softened
1 cup powdered sugar
1 tsp vanilla
Food coloring
(almond extract is also good)

Make frosting by mixing beating all ingredients until well blended. Frost cookies when they are completely cool. Be generous with the frosting.

Eat the cookies in one bite, as they crumble once bitten into.
