Synopsis (100 Words)	:	This short film focuses on the worsening impacts of COVID 19 lockdown on Domestic violence against women in India. The major objectives of this film include: 1.) To bring to light the alarming increase in the number of Domestic Violence cases against women during the COVID 19 lockdown. 2.) To create awareness about the same so that people are able to make sure that the helpline numbers and other means of help reach any victim whom they know are suffering silently and also so that the victims themselves are emboldened to speak up against their perpetrators.
