

Privacy Policy

Effective Date: October 01, 2024

The Divine Quran developed by Bitscharm respects your privacy and is committed to protecting your personal data. This Privacy Policy explains how we collect, use, and protect the information you provide when using our app.

1. General Information

- *The Divine Quran* is a simple book-type app that does not require user registration or collect personal data. This app does not request or access any personal information, location data, or permissions such as camera, microphone, or contacts.
- The app is intended for general public use, and anyone can download and use it without providing any personal information.

2. Bug Reporting and Optional Data Collection

- The app provides an optional Google Form for bug reporting, which allows users to report issues or bugs they encounter while using the app.
 - The form requires users to provide their **name**, **email**, and **message** describing the issue.
 - Additionally, users may attach screenshots or videos (optional) to help illustrate the issue.
- Any information provided through the Google Form will only be used for troubleshooting purposes and to improve the app's performance.
- We do not share this information with third parties except when necessary to resolve reported issues.

3. Third-Party Services

- The app does not use any third-party services for analytics, advertising, or data collection.
- The only external service involved is the Google Form for bug reporting, which is subject to Google's own privacy policies.

4. Data Retention

- *The Divine Quran* does not store or retain any personal information within the app itself.
- Information provided through the Google Form for bug reporting will only be retained as long as necessary to resolve the issue and will not be used for any other purposes.

5. Security

- While we do not collect or store personal data, we take appropriate steps to ensure that any information provided through the Google Form is handled securely and responsibly.
- However, we cannot guarantee absolute security, especially when transmitting information over the internet.

6. Children's Privacy

- The app is suitable for all audiences, including children. It does not collect any personal data from users of any age.
- Parents and guardians are encouraged to supervise their children's use of this app.

7. Your Rights

Since *The Divine Quran* does not collect or store any personal data, there is no need for users to request data access, corrections, or deletions related to their usage of the app.

8. Changes to this Privacy Policy

- We may update this Privacy Policy from time to time. Any changes will be posted within the app or on our associated website (if applicable). By continuing to use the app after such updates, you agree to the revised Privacy Policy.

9. Contact Us

If you have any questions or concerns regarding this Privacy Policy, please contact us via the bug report Google Form: [Contact Us](#).
