Abstract

This document provides guidance to authors preparing an abstract to be included in the program book and proceedings of the 24th International Nondestructive Testing and Evaluation of Wood Symposium.

Abstracts should comply with the style and format instructions given in this document, which can be used as a template. The “Abstract” heading is styled as a first-level heading. Abstract should not exceed 250 words. Keywords should be written below the abstract, with one blank line (11 pt., Times New Roman) before and two blank lines (11 pt., Times New Roman) following. Please use mark “*” to identify the corresponding author. The deadline for submitting your formatted abstract is **January 31, 2026**.

Note: Please DO NOT use Capital letters throughout the title or authors’ full names except the first letter of each word or name.

Keywords: conference, abstract, instructions, template
