

**I thank thee dear Father**

**In heaven above**

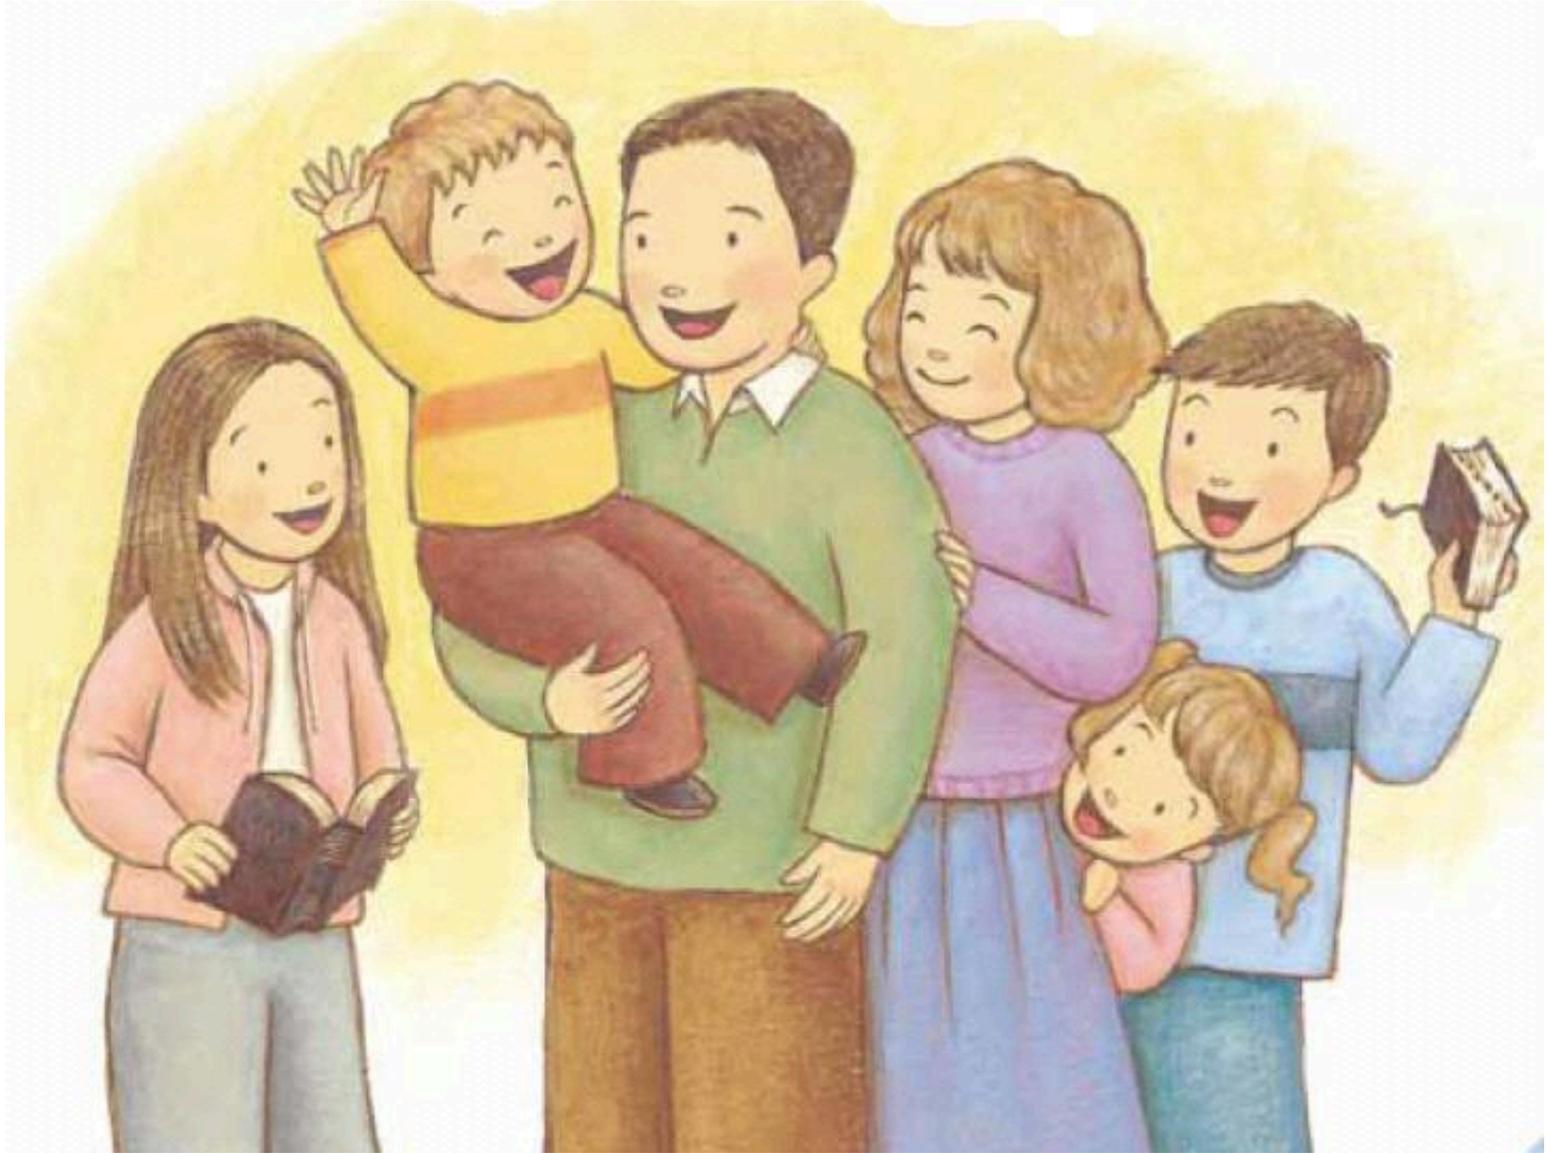

**For thy goodness and  
mercy**

**Thy kindness and love**

**I thank thee for home**

**Friends and parents so  
dear**

**And for ev'ry blessing**

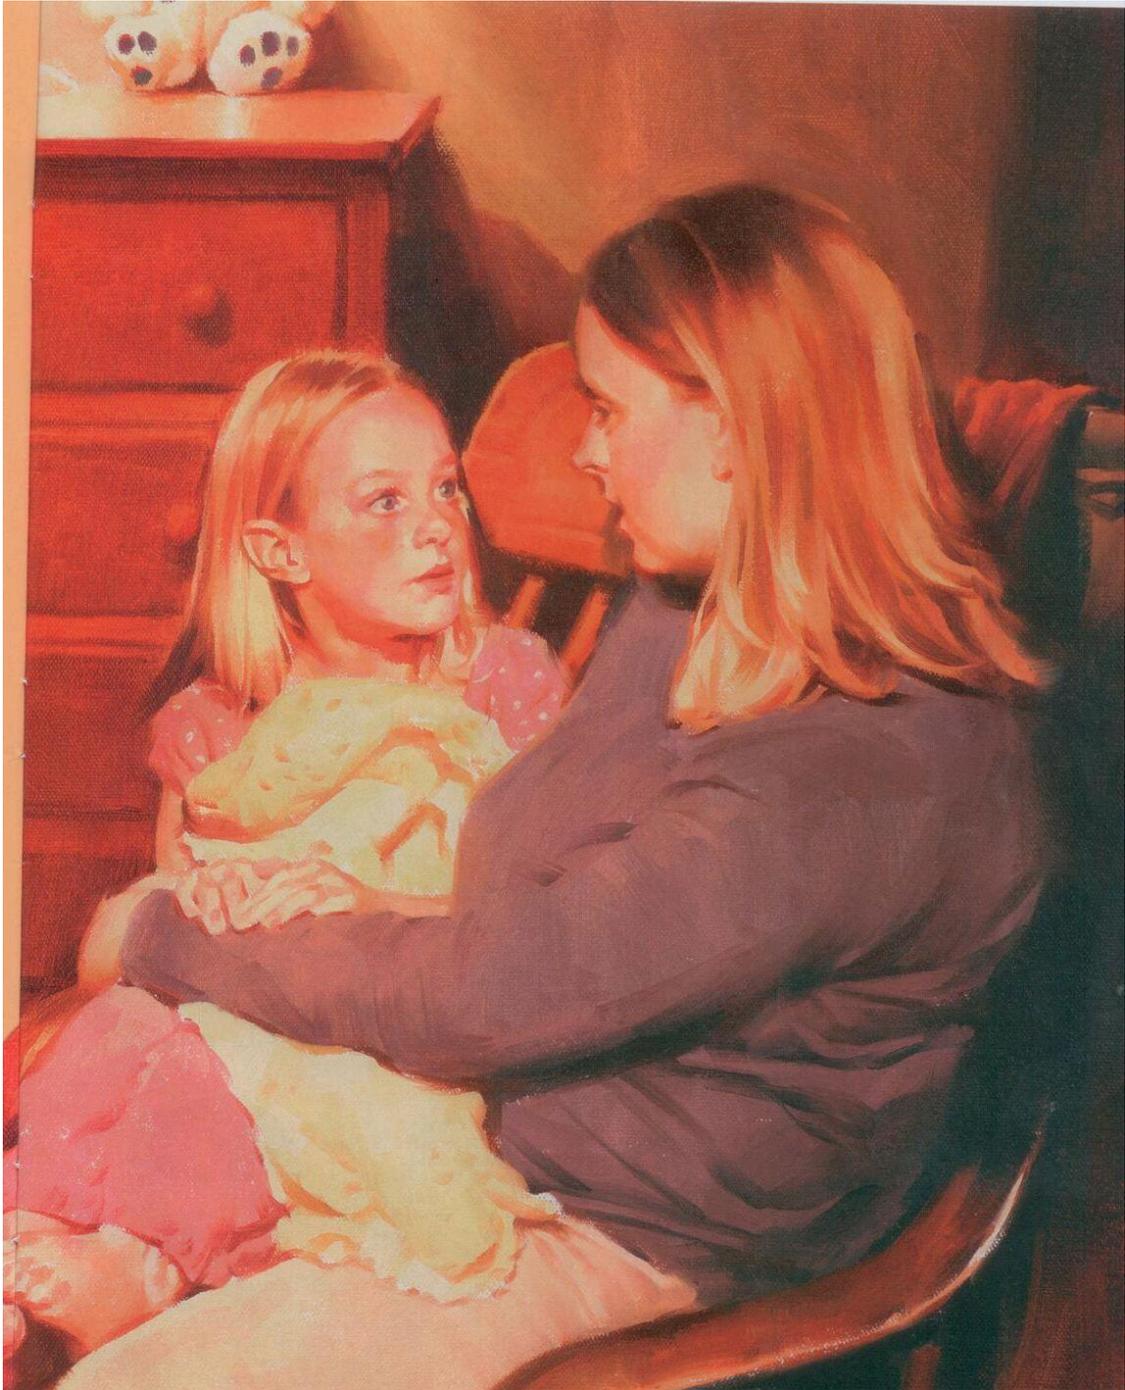

**That I enjoy here**

**Help me to be good**

**Kind and gentle today**

# And mind what my father

**And mother shall say  
In the dear name of  
Jesus**

**So loving and mild**

**I ask thee to bless me**

**And keep me thy child**
