Dear Recipient,

I am writing to you to introduce myself to you, and to invite you to partner in our mission. I am Amy Dowdy, Founder and Executive Director of Golden Isles Dance Foundation. Our foundation's goal is to support dancers in our community through providing resources to them and their families to supplement funding for their dance education. In our first year, we helped raise over \$12,000 for dancers.

Being a dancer, dance mom, and dance teacher myself, I have seen the immense positive impact that participating in dance can have on a child. Dance builds confidence, inspires creativity, promotes healthy competition, creates a sense of belonging, and so much more. For some, like myself as a child, the cost is prohibitive. Dance is more than a sport, and my hope is that those with a love and talent for dance would be able to pursue that passion without finances standing in the way. Would you partner with us and help (Dancer's Name) and her family as they raise money for the upcoming dance season?

(Dancer's Name) is a dedicated competitive dance student with exceptional talent and a deep passion for the art of dance. She has consistently demonstrated commitment and hard work, and her talent has been recognized both locally and regionally. The average cost for a competitive dance student like (Dancer's Name) to participate in various competitions, conventions, and performances throughout the year amounts to approximately \$5000. These expenses include costumes, competition fees, convention fees, as well as travel and food expenses.

It is our sincere hope that through the generosity of individuals like yourself, we can alleviate some of the financial strain on (Dancer's Name) and enable them to fully realize their potential as a dancer. Your donation to the Golden Isles Dance Foundation will directly support (Dancer's Name) expenses for the year.

Your contribution, no matter the amount, will make a meaningful difference in the life of (Dancer's Name) and will help her continue to pursue her dreams with determination and enthusiasm.

Thank you for considering this opportunity to support (Dancer's Name) and the Golden Isles Dance Foundation.

Together, we are Building Bridges to Dance Education.

Amy Dowdy
