

**9/21/2025**

Good evening, Warrior families. This is Principal Bear Bryant with some important updates and reminders.

- **Parent Visits-** Please help us protect students' instructional time by limiting parent/guardian visits during class. We are happy to call a student to the office if a parent/guardian needs to see them, but we want to keep students in class as much as possible to ensure they are maximizing their learning.
- **9th-grade Healthful Living Parental Consent/Health Screening Consent 2025-26-** Thank you for recently submitting the online Back to School Forms for your student. Some forms were not available to you at the time of your submission. Please complete the grade-specific form(s) below for your 9th-grade student. \*If you have previously submitted the consent form, you need not resubmit. [9th grade consent forms](#)
- **Staff Member of the Month-** Is there a WAHS staff member you would like to recognize for their work with your student? Do you know a teacher who goes above and beyond and who deserves to be celebrated? If so, please fill out the form here to nominate them for our WAHS Staff Member of the Month. We recognize one individual from your nominations at our monthly staff meeting and provide them with a gift card. We also share all nominations with the staff members who were nominated. **\*Gift card donations to support this effort are greatly appreciated!**

Thank you, and have a good evening. Go, Warriors!

Good evening, Warrior families. This is Principal Bear Bryant with some important updates and reminders.

- **Lunch Applications-** If you haven't already done so, please consider filling out a lunch application linked [here](#). Having all parents complete this form helps us minimize lunch debt that accumulates throughout the school year. **Students**

- **Class Shirts-** Class and senior t-shirts are back. Payments can be made via the school website through the Online Payment System (where you get your parking pass). The link for payments was also sent through email to all students by Mr. Calannio. Class shirts are \$16, and senior shirts are \$22. Shirts will be on sale through October 17th.
- **Chromebook Forms-** If your student has not returned their Chromebook form to their media center, their device access has been suspended. They must submit a signed Chromebook agreement to the front office or media center asap to have their access restored.

**9/1/2025**

Good evening, Warrior families. This is Principal Bear Bryant with some important updates and reminders.

- If you haven't already done so, please consider filling out a lunch application linked [here](#). Having all parents complete this form helps us minimize lunch debt that accumulates throughout the school year. **Students have already accumulated over \$400 worth of cafeteria debt in the first week of school!**
- Our normal school day begins for students at 8:45 a.m. and ends at 3:45 p.m. Students should not be dropped off before 8:15 a.m. unless arrangements have been made with a teacher. Because we have buses that drop off before 8:15 a.m., students are able to wait in the cafeteria from 7:45 a.m. until 8:15 a.m., when additional supervision arrives on campus. Students should be picked up by 4:15 p.m. unless they are with a teacher or coach.
- The map for car rider pick-up and drop-off is linked [here](#). Please do not pick up or drop off students in other areas of the school. **The car rider entrance/line off Gerringer Mill Rd is a one-way street. Please do not pull into the line and turn around to exit onto Gerringer Mill. This causes traffic issues and is a safety hazard.**

- Student drivers who want to park on campus must visit the link [here](#) to get a parking pass. We will announce when parking passes are available for pickup.
- This year, we are offering families the opportunity to purchase optional insurance for their student's Chromebook. The cost of the optional insurance is \$25. This premium is good for one instance of unintentional breakage (lost or intentional damage is not covered) and will help protect you from higher costs. You may elect when to apply your premium. Once used, the family would have the option to replace the optional insurance premium for an additional \$25. For more details, including a list of part replacement costs, click [here](#) for the Mobile Learning Handbook. You may use this [link](#) to purchase the optional insurance. \*Note- you must click the box signifying you agree to the user agreement before purchasing insurance.
- The Parent Teacher Student Organization (PTSO) is holding its membership drive now! Join the PTSO at the following link: <https://tinyurl.com/2w93cxay> and see the flyer ([English](#) | [Spanish](#)) to see the prizes you can win by joining! The PTSO is also excited to have students join the PTSO this year for free! They are looking for student PTSO leaders to help be a liaison between the PTSO and the student body. If your student is interested, please email the PTSO at [wahighschoolptso@gmail.com](mailto:wahighschoolptso@gmail.com). Visit the PTSO page at <https://linktr.ee/wahsptso> to find access to all PTSO links, get updates, and follow on social media. Be sure to follow their new Facebook Page to get current information.
- Please continue to encourage your student to follow the WAHS cell phone procedures while at school. This helps us ensure students are focused on learning during instructional time.
- If you would like to review the presentation shared with students during class meetings last week, follow the link [here](#). We covered important rules and procedures with all grade levels last week, so students have been made aware of school expectations.

Thank you, and have a good evening. Go, Warriors!
