

COMMISSION TERMS OF SERVICE

Hey there! I'm Nord Ronnoc. Fanfic writer, streamer, and all around a sarcastic hot mess. I am diagnosed with high-functioning autism, but I do my best to get along. I've thought about doing writing commissions, so I thought I should give it a go. A bit of financial security, getting some experience in working, gaining motivation, the works. All of that is nice to have, if you don't mind me saying.

For the details, make sure you provide me the name of your story, premise, genre, and approximate length.

I WOULD DO

- Short stories and one-shots only
- Speculative fiction (science fiction, fantasy, horror, etc.)
- Mild or suggestive material
- PG-13/soft R-rated material. If you're unsure, don't be afraid to ask for more details

I WOULD NOT DO

- Explicit smut and sex, porn, incest, pedophilia, and rape
- Anything I would personally deem offensive (discrimination against race, gender, sexuality, religion, disability, and any other kind of minorities)
- Fascism and Nazism portrayed in a positive light
- Hard R-rated/NC-17 rated materials. If you're unsure, don't be afraid to ask for more details
- Fanfiction, due to legal reasons

PRICING AND TIME LENGTH

I go for \$1 USD for every 100 words after editing, rounded down if below the 50 thresholds. No taxes included in the price tag. I will ask you if you have an account on PayPal, since it'll be my primary means of funding.

I'll send you excerpts to show progress, and you can provide me feedback and suggestions. Let me know as soon as possible if you need any major changes, such as its genre before I'm well into the story as it would be difficult to make these changes. If your work needs more minor edits after completion, I would do up to five for free. Anything more that needs a major rewrite or overhaul would be 20% of the price. The minimum length is approximately 500 words, 5000 words maximum.

It may take me about a day to write several hundred words, weeks if it's longer. When the request has been written, edited, and paid, I will send you the story in a .pdf with my watermark. It's copyrighted and can be used for personal use only and not for profit. It also can't be published in a publication such as a zine, book game, etc. without my explicit consent. On the other hand, if you would like to post your story on a website, feel free to ask.

If I'm not able to complete your request (life getting in the way, sickness, etc.), the payment won't carry forward. I may cancel the commission at any time and will notify you of it. But if you have a deadline, do let me know in advance of the commission. Deadlines are important!
