IMPORTANT RECORDING NOTES!

1. **You can use any camera (or app) for recording.**
2. Make sure you have **sufficient storage space** on your device.
3. If you are using your cellphone to record, it is better to put the phone in Airplane Mode to avoid receiving any calls while recording.
4. Make sure you're not muting the mic while recording.
5. Use a quiet room for video recording (Lock the door, no noise, & no interruption).
6. Every team should carry a sign with the Church Name / Age Group / Team and in the **beginning of the recording read the sign while the camera is focusing** on it.
   a. Ex: St. John Covina, High School, Team A
7. Repeating a recording and uploading the best performance is allowed (as long as it is within the allowed time frame). However, editing the video is not allowed and the team who edits their recording will be disqualified.
8. **Please see website for upload deadline.**
9. Make sure to give yourself enough time to upload the videos. Each video file might take up to 70 minutes depending on your upload speed.

10. For faster uploads, it is recommended to upload the videos from different locations (Church, Home, etc …) at the same time.
11. Make sure to try/test all the recording/upload steps **BEFORE** the exam day.
12. All the technical set-up for video recording should be ready an hour or half an hour before the test (to prevent any technical issues when you start recording).
13. A church's contact person should be the primary contact before contacting the support team.
14. For any inquires before/during/after the test please contact the support team:
