

how to TRIGGER influence!

The problem with most regular copywriting books now is that:

You already **KNOW** that you're supposed to grab attention, build intrigue, and create urgency...

You already knew these things, but none of those books teach you how to influence triggers

My view is...

If you spend money and time learning from those books and your copy has not been effective or clients haven't been satisfied **IT'S NOT YOUR FAULT.**

My groundbreaking book, *Take Their Money*, has helped many new clients like you and they made a ton of money.

There are some tactics and new ways for your copy to sound greater.

But we don't teach you to follow our protocol, you will be taught how to make your ways and tactics and sell pretty much anything with greater ease than ever.

All you have to do is...
