

Speaking Task 1

1. Read the text below:

Nowadays some people like to have snails as pets. If you want to buy a snail, it will be interesting for you to find out some information about them. In fact, snails are some of the oldest animals on our planet. You can find them in every part of the world. They live in water, on trees and on land. You can see them in gardens, parks and forests. They move very slowly. Still, they can move long distances and travel for months. All snails have a protective shell. It is their home. Snails eat different kinds of plants. They live up to fifteen years.

2. Choose one of these pictures and describe it (in 7-8 sentences). Use the plan below.

Plan:

- the place
- the action
- the person's appearance
- whether you like the picture or not
- why

Start with: "I'd like to describe picture 1. The picture shows ..."
