

A thoughtful community of leaders engaging with others to create a sustainable world.

Back to School Night Open House August 21 from 4-7pm

- Lifetouch will be here to take students' pictures. If you can't make it, retakes will be on October 14.
- Students can address any necessary schedule changes (schedules will be released in mid August)
- Students new to SES can learn how to read their schedules and walk the building to find their classes to be prepared for the first few days
- A check-in on summer reading progress
- Info on the first day of school
- Information about carpooling consent forms for students for the year
- Families new to District 196 can pick up their iPads and get other tech help as needed
- Activities to learn more about our school wide commitment to sustainability
- Our Nurse will be in the Health Office to take meds and answer any medical questions
- Our Special Education Team will be available to meet families on their caseloads
- SES Spiritwear will be available for purchase from the SES Student Council. Please bring cash or check, as we cannot accept digital payment for these purchases
