

Scotsburn Concert Backstage Volunteer Roster

Please add your name below if you are interested in assisting backstage at the concert. All parent volunteers are required to have a current Working With Children Check. We are looking for two helpers per class, per session. In the event of us having more than two volunteers, we will draw names out of a hat. Please make sure that you volunteer for a session different to the session that you have purchased tickets for.

Thursday 27 August - Matinee
