Special Thanks

ViviVinya, for being one of my first opportunities to compose professionally and remaining a friend to this day

Lios, for encouraging me to continue writing and being there during one of my lowest points

Mimi/TentaclePalette, for giving great advice on how to monetize and grow my creative work

OuglaRaven, for naming Florella way back when

Digsaw, for giving great advice on my writing and lending an ear to all my rambles

VisscaGem, Merry/Tamagoaway, SixofHearts.Mav, for being amazing incredible people who I am honored to be as close with as I am

My High-School English Teacher Mr. Slapikas, for sparking my interest in creative writing

My Middle-School History Teacher Mr. Testa, for showing me how to find the fun in research

My Mom, for being my biggest fan throughout the good and bad

Jamie Paige, for being a major inspiration for all my music

The Siivagunner Art Team, for being the inspiration for much of Terranian Skies' visuals

Big Blue Bubble, for being the main reason any of this exists in the first place

Sarah, for being my person

And you, for enjoying this story that's been years and years in the making. None of this could exist without your support, and I will forever be grateful for those who have stuck with it for this long.
